To Be Sold

Jack Charles are delighted to offer for sale an opportunity to purchase a super detached family home with plenty of scope to extend into a substantial family home. The property has lapsed planning to enlarge into a 5/6 bedroom home and we feel that this could be reapplied for and altered to suit a buyer's needs. To the ground floor is a spacious sitting room with a box-bay window to the front, double doors leading to the dining room. There is an inner hall leading to a WC and back to the kitchen which could do with replacement and has access to both the garden and the garage.

On the first floor, the property has three bedrooms and a family bathroom with a bath and a separate shower. There is a window to the side where we believe could provide the access to a first floor extension. Outside the property has a drive to the front from an 1 and ½ sized garage and to the rear is a large rear garden with an outbuilding that could be developed to a home office or replaced. It is south-west facing and has established plants, shrubs, and trees.

The reference number for the lapsed planning permission for the two-storey side and rear extension, along with a roof conversion, is 12/03507/HOUSE
