To Be Sold

A substantial and deceptively spacious detached 5 bedroom, 4 bathroom family home situated in a very desirable location. The property stands in grounds and gardens that extend to approx 0.66 acre. This stunning home has been beautifully modernised and stylishly improved by the present owners and offers great scope with split level accommodation that is perfect for multi generational living both within the property itself as well as potential to modify the detached two story outbuilding which currently incorporates double garage, cloakroom, kitchen / dining room and two first floor rooms.

A particular feature of the property itself is its charming sunken living room which provides great entertaining space, there is also a stunning open plan kitchen / family room which has a lovely double aspect over the gardens.

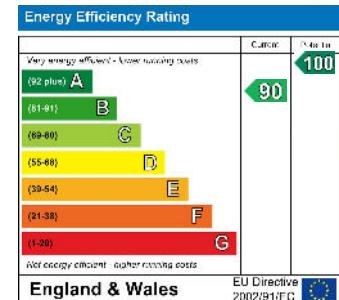

The accommodation provides a vaulted reception hall, three reception rooms including a snug plus a very large study landing. There are 5 bedrooms, 3 with ensuites (4 bathrooms in total). The master bedroom benefits from two walk in dressing rooms an ensuite shower room and an air conditioning unit supplying cool and warm air flow.

Outside to the front is a very large drive providing parking for up to 10 cars. There is a separate self contained annexe incorporating a double garage, to the side of which is an entrance door with a lobby leading to a cloakroom and kitchen/dining area with French doors opening onto the garden. To the first floor there are two rooms, currently being used as a home office but could be used as living space.

There are large gardens to the side and rear having been beautifully landscaped, they are principally laid to lawn with terraced areas and a large patio. There is a bbq hut available by separate negotiation and we feel the gardens are perfect for families with lots of space for children as well as those with green fingers.
